LOGO CUPS

PRODUCT CATALOG

The shop

Our space is more than a shop; it's a sanctuary of craftsmanship, where every cup is a canvas awaiting your personal touch.

The people

Behind every cup is a story, and our team of artisans, dreamers, and coffee aficionados are here to craft yours. Passionate and dedicated, we're united by the mission to turn your coffee breaks into moments of pure joy.

The craft

In the delicate dance between tradition and innovation, our craft thrives. Rooted in age-old techniques, we infuse modern sensibilities to create cups that transcend time.

CUSTOM CRAFT CUPS

Where Tradition Meets Innovation

In the delicate dance between tradition and innovation, our craft thrives. Rooted in age-old techniques, we infuse modern sensibilities to create cups that transcend time. From hand-to-glaze, we meticulously ensure each cup surpasses expectations. Our commitment to quality is unwavering, and we believe in the magic of a well-crafted cup to transform your coffee ritual into an artful experience.

Egg shape

Crafted for the coffee connoisseur who knows that minimalism isn't just a design choice - it's a lifestyle. The Egg Shaped cup is like a blank canvas for your caffeine masterpiece, minus the pretentious beret. Its clean lines and modern vibe make every other coffee cup look like it's still stuck in the Stone Age. So, if your morning mantra is "Less is more," the Egg Shaped cup is your caffeinated soulmate. Because who needs extra handles and unnecessary frills when your coffee is this damn fabulous?

EGG SHAPE - PERSONALIZATION

ALL CUSTOMIZATION METHODS CAN BE COMBINED.

01
SERIGRAPHY - INSIDE

Branding cups with high-resistance print using decal technique. Logo complexity and detail can be easily transferred to cup. Ceramic pigments are food and dishwasher safe.

Extra cost will apply!

02
SERIGRAPHY - OUTSIDE

Branding cups with high-resistance print using decal technique. Logo complexity and detail can be easily transferred to cup. Ceramic pigments are food and dishwasher safe.

Extra cost will apply!

03
ENGOBE

Engraving logo into the cup's body using metal stamps, pressure and skill. This branding choice will transform the cup into a unique item. Simplicity in logo design is a plus.

Extra cost will apply!

04
GRADIENT

Airbrushing cups with a smooth blend of colors to create a seamless and harmonious gradient. This approach brings depth and softness, turning the cup into a refined and modern aesthetics object.

Extra cost will apply!

05
SPLATTER

Customizing cups with energetic bursts of color through a random brush splattering technique. This playful decoration adds a bright and vibrant character to each piece.

Extra cost will apply!

06
SPECKLE

Decorating the cup with fine, uniform speckles for a subtle yet textured look. This technique adds visual interest through a controlled pattern of tiny dots, evoking handcrafted charm.

Extra cost will apply!

07
DIPPING - BASE

Applying color by physically dipping the cup into coloured glaze. This method produces a natural two-tone finish and a bold contrast between dipped and unclipped areas.

Extra cost will apply!

08
DIPPING - TOP

Applying color by physically dipping the cup into coloured glaze. This method produces a natural two-tone finish and a bold contrast between dipped and unclipped areas.

Extra cost will apply!
